SUMMER FUN AT THE LIBRARY

As we are now in the middle of July, I hope that you are having fun this summer, and you have been taking advantage of all the fun activities that the library has to offer.

Of course, we hope that you have registered for and started one of our Summer Reading Programs for 2022. Children's Librarian Ms. Kunz has held many fun and creative programs with the "Oceans of Possibilities" theme, including making sea dioramas at the Jacques Cousteau programs.

The children have also made shark and fish crafts at the craft-along programs, and they will be making hermit crab crafts this week.

Children, teens, and adults were able to experience underwater dives with Alex and Natalya Kitain at two virtual programs about "Curious Facts from the Deep."

According to the Kitains, unprovoked shark attacks on humans are rare because we are not part of their usual food chain. Attacks on humans are usually cases of mistaken identity when humans are confused with seals or fish in distress. Most humans who are bitten by sharks die because of blood loss, so you should still be wary of sharks!

Teens will be making edible submarines on Friday, July 22nd and homemade ice cream on Friday, July 29th.

The library just held two workshops on Raspberry Pi computers and a STEM workshop where children used Snap Circuits to build various projects such as fans, musical chimes, and flying discs.

Additional STEM workshops are being offered throughout July, so you can still register your children for these fun and interactive programs.

SUMMER FUN AT THE LIBRARY

(Continued)

Children and parents had fun competing against each other in various One-Minute Challenges on Thursday, July 14th. How many kisses could you unwrap wearing oven mitts? That was one of the challenges!

Coming up on Thursday, July 21, 2022, at 11:00 am, is a special summer reading hour with Assemblywoman Michaelle Solages and guest visitor Clifford the Big Red Dog. You can still register for this program at <https://tinyurl.com/summerreadinghour> as space allows.

If you would like to check out what else is going on at the library, click on "Calendar" on the green navigation bar.

We hope to see you at the library this summer!

DAILY NEWSPAPERS AVAILABLE

Daily newspapers are now available to the public! At the current time, the library is not requiring identification or a library card to read the newspapers on a **trial basis**. Please return newspapers to the newspaper rack for the next patron to read. **Newspapers should NOT be removed from the library!**

DIGITAL LIBRARY CARDS STILL AVAILABLE

Do you need a digital library card? The application for the digital library card is available through the Nassau Library System at:

<https://www.nassaulibrary.org/digital-card-application/>

Digital library cards are still being issued for a 4-month expiration period, even though the library is open for library visits and curbside/lobby service. Please note: We recommend that you come in for a regular library card as soon as possible since digital library cards may be discontinued in the future.

WIFI HOTSPOTS AVAILABLE FOR LOAN

The library is pleased to announce that Valley Stream library patrons can now borrow a T-Mobile Franklin T-9 mobile hotspot for a 14-day loan period! The hotspot may be renewed for another 14-day period if there is no waiting list for it.

This WiFi hotspot is a device that you can use to connect a mobile-enabled device, such as a laptop smartphone or tablet, to the internet. It is portable, so you can connect your device almost wherever you are – at home, on bus or train, or in the park. **And when you are on vacation!**

Borrowers must sign a Borrowing Agreement form and provide a valid adult Valley Stream library card in good standing. In addition, as with our family museum passes, all family members must be in good standing as the portable hotspot can accommodate up to 15 devices in your home at the same time.

The late fee is \$5.00 per day, and a \$100 replacement fee is billed after 10 days overdue, plus internet service will be turned off if a hotspot is not returned on the due date.

T-Mobile Franklin T-9 mobile hotspots were purchased with a Special Legislative Grant awarded to the Henry Waldinger Memorial Library by New York State Senator Todd Kaminsky (S.D. 9). Without this grant, the library would not have been able to purchase multiple devices to loan to our patrons, so we are very grateful for his generosity to the community.

Some patrons have taken advantage of the WiFi hotspots when they have had disruptions in their Internet service, when they have been on vacation, or when they have travelled to an area where Internet service is spotty. Remember, there is no charge to borrow a hotspot (if you return it on time) for free WiFi access!

Contact Library Director Ms. Eng for further information at hwmlcontact@hotmail.com or 516-825-6422. Depending on availability, you can reserve to borrow a WiFi hotspot if you are planning a vacation or trip out of town where Internet access may not be available.

PUBLIC ACCESS COMPUTERS & OPACS ARE BACK

The library now has all its public computer stations available for use in the Adult Room, for a maximum session of 1 hour. Two stations are available in the Children's Room for a maximum session of 30 minutes. Patrons can come in to see if a computer is available or reserve a specific time.

Only one reservation can be made per day per patron. Reservations will be held for 10 minutes (which will count as part of the hour), and then the computer will be released to the next patron waiting for a computer.

Due to health safety concerns, the staff will only provide limited computer assistance. Hand sanitizer and wipes are available for patron use.

You can use your library card to sign up for a computer or can be issued a visitor's pass to use a computer. The OPACS (online catalog computers) are also available for patrons to check for availability of materials.

VALLEY STREAM BOOK CLUB

The library will be hosting another meeting of the Valley Stream Book Club on Tuesday, July 26, 2022, at 7:30 pm, via Zoom. This month's book is *The Book Woman of Troublesome Creek*, by Kim Michele Richardson.

To register, send an email to Library Director Ms. Eng at hwmlcontact@hotmail.com, and a copy of the book and a reading guide will be available for you at the Adult Reference Desk.

During the past year of the COVID pandemic, the need for Internet access was a high priority for most people to stay in touch with families and friends, for children to attend virtual classes, for people to order groceries, and for people to work from home. However, not everyone had dependable Internet access.

The Henry Waldinger Memorial Library is pleased to announce that it has partnered with other libraries in Nassau County to participate in **WiFi Whenever**.

WiFi Whenever is a county-wide project initiated by the Nassau Library System to boost Internet access outside library buildings such as ours. The project is supported with federal Coronavirus Aid, Relief, and Economic Security (CARES) Act funds allocated to the New York State Library by the Institute of Museum and Library Services (IMLS).

The Meraki MR86 Wi-Fi 6 Outdoor Access Point mounted on the front right corner of the library building boosts the library's WiFi range by up to 300+ ft., allowing people in nearby housing, on the Village Green, or parking areas to have free internet access whether the library is open or not.

Look for the library's network name in your Wi-Fi

settings on your phone, tablet, or computer. There is no password. If you do not see it in your network settings, try moving closer to the library.

Contact Director Ms. Eng at hwmlcontact@hotmail.com for additional information about **WiFi Whenever**.

DONATIONS TO THE LIBRARY

The library would appreciate it if all book donations were placed in the two **Better World Books** bins at the rear of the parking lot to the right of the building. If the bins are full, do not leave the donations outside the bins. **If they get wet, they cannot be used and they end up in the dumpsters!**

Please do not leave donations on the Children's Room Entrance landing. Books left there will be picked up by the Valley Stream Sanitation Department.

HAVE YOU TRIED A WONDERBOOK YET?

Each Wonderbook is a print book with a ready-to-play audiobook inside. Kids can press the "Play" button to read along with their favorite books on their own.

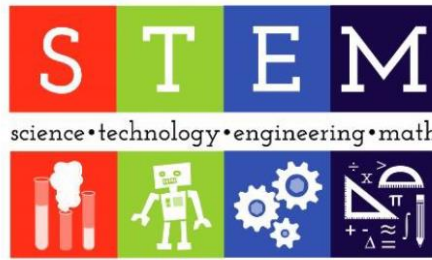

Some of the Wonderbook titles available include *Corduroy*, by Dan Freeman; *Frog and Toad Together*, by Arthur Lobel; *Big Nate* books, by Lincoln Peirce; Amelia Bedelia books, by Herman Parish; and *The Cricket in Times Square*, by George Selden.

Since last year, the library has added almost 100 new Wonderbook titles, including popular chapter books such as *Junie B. Jones and the Yucky Blucky Fruitcake*, by Barbara Park; *Big Nate In a Class By Himself*, by Lincoln Peirce, and *Captain Underpants and the Perilous Plot of Professor Poopypants*, by Dav Pilkey.

If you are interested in receiving a current list of all the titles available, contact Library Director Ms. Eng at hwmlcontact@hotmail.com and the list will be e-mailed to you for you to browse at your convenience. Select your titles and place holds for them or call the Children's Department with your selections.

Valley Stream Book Club Zoom Book Discussion Program

**Tuesday, July 26, 2022
7:30 p.m.**

Book Discussion of:

***The Book Woman of Troublesome Creek* by Kim Michele Richardson**

The hardscrabble folks of Troublesome Creek have to scarp for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter.

Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler.

Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home

Send e-mail to hwmlcontact@hotmail.com to register.
Zoom information plus Reading Guide will be sent to you.

If you are a Nassau County Library card holder, a copy of the book will be reserved for you, and you will be notified when to pick it up from your home library.
