Launchpads tablets that are pre-loaded with games, books, and other content for children, teens, and adults. There is no need to download programs, and there is no need for WiFi.

There is a protective bumper around the Launchpad tablets, they can safely be used by children. There are learning games such as “A World of Letters” and “World of Adventure,” plus videos from kid favorites such as Clifford the Big Red Dog and Richard Scarry. The contents are vetted by educators.

Parents can borrow up to two launchpads at one time for a 14-day loan period. Launchpads are a great way to entertain and educate your children.

WIFI HOTSPOTS AVAILABLE FOR LOAN

The library is pleased to announce that Valley Stream library patrons can now borrow a T-Mobile Franklin T-9 mobile hotspot for a 14-day loan period! The hotspot may be renewed for another 14-day period if there is no waiting list for it.

During the first few days of November, there was a Verizon service disruption in Valley Stream, and the library loaned out several WiFi hotspots to families who would have had no internet access!

This WiFi hotspot is a device that you can use to connect a mobile-enabled device, such as a laptop smartphone or tablet, to the internet. It is portable, so you can connect your device almost wherever you are – at home, on bus or train, or in the park. **And when you are on vacation!**

Borrowers must sign a Borrowing Agreement form and provide a valid adult Valley Stream library card in good standing. In addition, as with our family museum passes, all family members must be in good standing as the portable hotspot can accommodate up to 15 devices in your home at the same time.

The late fee is \$5.00 per day, and a \$100 replacement fee is billed after 10 days overdue, plus internet service will be turned off if a hotspot is not returned on the due date.

T-Mobile Franklin T-9 mobile hotspots were purchased with a Special Legislative Grant awarded to the Henry Waldinger Memorial Library by New York State Senator Todd Kaminsky (S.D. 9). Without this grant, the library would not have been able to purchase multiple devices to loan to our patrons, so we are very grateful for his generosity to the community.

Some patrons have taken advantage of the WiFi hotspots when they have had disruptions in their Internet service, when they have been on vacation, or when they have travelled to an area where Internet service is spotty. Remember, there is no charge to borrow a hotspot (if you return it on time) for free WiFi access!

Contact Library Director Ms. Eng for further information at hwmlcontact@hotmail.com or 516-825-6422. Depending on availability, you can reserve to borrow a WiFi hotspot if you are planning a vacation or trip out of town where Internet access may not be available. (Unfortunately, they cannot be used outside the United States.)

The Henry Waldinger Memorial Library has instituted Eventkeeper registration for most of its programs. This will help the staff keep track of how many people and who are registering for programs.

All library programs are listed on the Eventkeeper calendar on the library's website by clicking on the "Calendar" link on the green navigation bar at the top of the homepage or by clicking on:

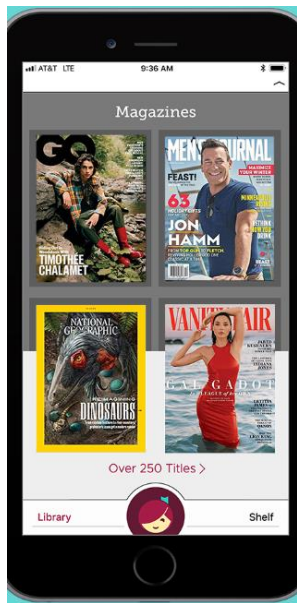

<http://www.eventkeeper.com/mars/xpages/W/WALDINGER/ekp.cfm?curOrg=WALDINGER>

Scroll down for the various programs and then if registration is required for a program, click on the green registration button at the bottom left of the event listing.

There are 3 spaces available.

The number of spaces available for the program will be indicated, and you will receive notification that your registration has been received.

Do you see the way that climate change is impacting your community, but feel overwhelmed imagining what to do?

Do you live in a DAC (disadvantaged community), but don't know if that means, or what it means for you, your family, and your community?

Join LIPC's Document Reading Group!
Our First Meeting is August 14, 2023

- 7pm, on Zoom
- Topic: What are DACs & why does the designation matter
- LIPC is the Long Island Progressive Coalition

We'll be looking at the New York State Climate Justice Working Group, SYSCJWG's 80-page "Draft Disadvantaged Communities (DAC) Criteria and List Technical Documentation" which outlines which NY State census tracts receive the designation of "disadvantaged," why they receive that designation, and what that means for getting money into the communities.

35% of state funding for Climate Change Resilience is supposed to go to the 1700 DACs (Disadvantaged Communities) in NY.
85 of these DACs are here on Long Island.
