# NEW LIBRARY CALENDAR

Library patrons, who check the library calendar on a regular basis and who register for programs, have probably noticed that there has been a problem with the library's Eventkeeper calendar and registration system. Unfortunately, the company that hosted Eventkeeper ran into a major problem while migrating to a new server and no longer supports the calendar.

Starting in November, the library is using a WordPress calendar to list its programs and events. It looks a little different, but you can find all information you need about a program and the link to registration for the program by clicking on the event listing.

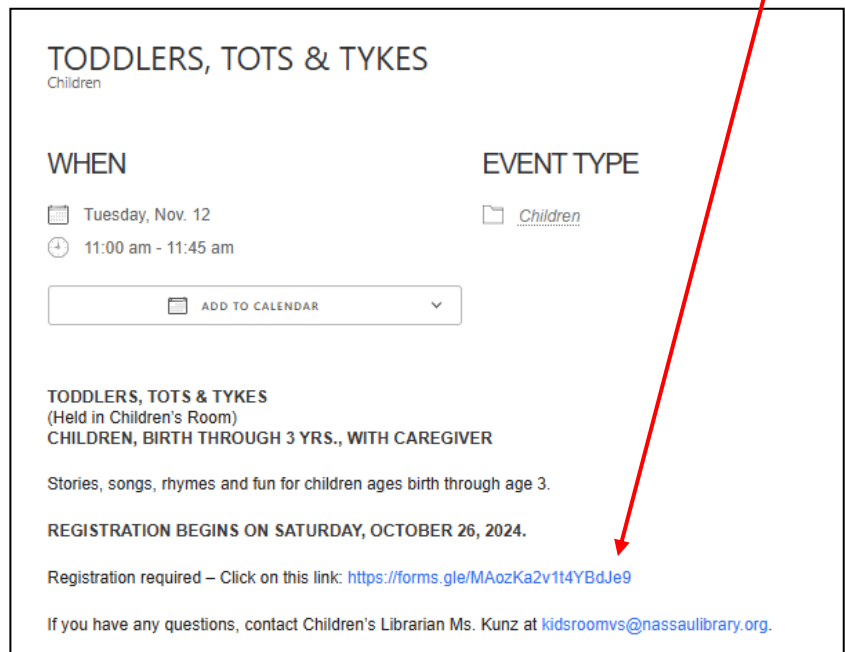

To see all the events on a particular day, click on the circle in the upper right corner:

Events are color-coded for your convenience as follows:

- **RED** = For All Patrons
- **BLUE** = For Adults
- **GREEN** = For Teens
- **PURPLE** = For Children

When you click "MORE" in the short listing for an event, you will see details about the program and the registration link. And, you can always contact the staff if you have any questions!

## WIFI HOTSPOTS AVAILABLE FOR LOAN

The library is pleased to announce that Valley Stream library patrons can now borrow a T-Mobile Franklin T-9 mobile hotspot for a 14-day loan period! The hotspot may be renewed for another 14-day period if there is no waiting list for it.

During the first few days of November, there was a Verizon service disruption in Valley Stream, and the library loaned out several WiFi hotspots to families who would have had no internet access!

This WiFi hotspot is a device that you can use to connect a mobile-enabled device, such as a laptop smartphone or tablet, to the internet. It is portable, so you can connect your device almost wherever you are – at home, on bus or train, or in the park. **And when you are on vacation!**

Borrowers must sign a Borrowing Agreement form and provide a valid adult Valley Stream library card in good standing. In addition, as with our family museum passes, all family members must be in good standing as the portable hotspot can accommodate up to 15 devices in your home at the same time.

The late fee is \$5.00 per day, and a \$100 replacement fee is billed after 10 days overdue, plus internet service will be turned off if a hotspot is not returned on the due date.

T-Mobile Franklin T-9 mobile hotspots were purchased with a Special Legislative Grant awarded to the Henry Waldinger Memorial Library by New York State Senator Todd Kaminsky (S.D. 9). Without this grant, the library would not have been able to purchase multiple devices to loan to our patrons, so we are very grateful for his generosity to the community.

Some patrons have taken advantage of the WiFi hotspots when they have had disruptions in their Internet service, when they have been on vacation, or when they have travelled to an area where Internet service is spotty. Remember, there is no charge to borrow a hotspot (if you return it on time) for free WiFi access!

Contact Library Director Ms. Eng for further information at [hwmlcontact@hotmail.com](mailto:hwmlcontact@hotmail.com) or 516-825-6422. Depending on availability, you can reserve to borrow a WiFi hotspot if you are planning a vacation or trip out of town where Internet access may not be available.
