Valley Stream Book Club Virtual Author Visit & Zoom Book Discussion

The Art Spy
by Michelle Young

Tuesday, August 12, 2025 *
7:30 pm

*Postponed from July 29, 2025

A riveting and stylish saga set in Paris during World War II, *The Art Spy* uncovers how an unlikely heroine infiltrated the Nazi leadership to save the world's most treasured masterpieces.

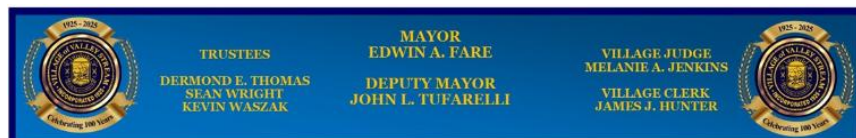

Based on troves of previously undiscovered documents, *The Art Spy* chronicles the brave actions of Rose Valland, the key Resistance spy in the heart of the Nazi's art looting headquarters in the French capital. A veritable female Monuments Man, Valland has, until now, been written out of the annals, despite bearing witness to history's largest art theft. While Hitler was amassing stolen art for his future Führermuseum, Valland, his undercover adversary, secretly worked to stop him.

Author Michelle Young will attend the meeting via Zoom.

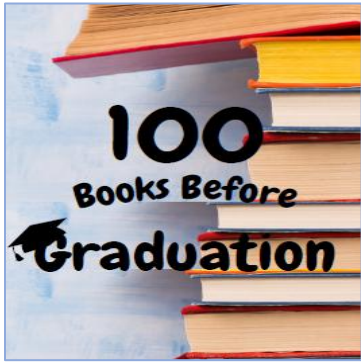

For questions or to register for Zoom information, contact Library Director Ms. Eng at hwmlcontact@hotmail.com

DONATIONS TO THE LIBRARY

The library would appreciate it if all book donations were placed in the two **Better World Books** bins at the rear of the parking lot to the right of the building. If the bins are full, do not leave the donations outside the bins. **If they get wet, they cannot be used and they end up in the dumpsters!**

Please do not leave donations on the Children's Room Entrance landing. Books left there will be picked up by the Valley Stream Sanitation Department. for each event.

From January to September 2023, the library received commissions from Better World Books totaling **over \$600**, so the books placed in the green bins do benefit the library. So, please continue to make your donations to the Better World Books bins!

WIFI HOTSPOTS AVAILABLE FOR LOAN

The library is pleased to announce that Valley Stream library patrons can now borrow a T-Mobile Franklin T-9 mobile hotspot for a 14-day loan period! The hotspot may be renewed for another 14-day period if there is no waiting list for it.

During the first few days of November, there was a Verizon service disruption in Valley Stream, and the library loaned out several WiFi hotspots to families who would have had no internet access!

This WiFi hotspot is a device that you can use to connect a mobile-enabled device, such as a laptop smartphone or tablet, to the internet. It is portable, so you can connect your device almost wherever you are – at home, on bus or train, or in the park. **And when you are on vacation!**

Borrowers must sign a Borrowing Agreement form and provide a valid adult Valley Stream library card in good standing. In addition, as with our family museum passes, all family members must be in good standing as the portable hotspot can accommodate up to 15 devices in your home at the same time.

The late fee is \$5.00 per day, and a \$100 replacement fee is billed after 10 days overdue, plus internet service will be turned off if a hotspot is not returned on the due date.

T-Mobile Franklin T-9 mobile hotspots were purchased with a Special Legislative Grant awarded to the Henry Waldinger Memorial Library by New York State Senator Todd Kaminsky (S.D. 9). Without this grant, the library would not have been able to purchase multiple devices to loan to our patrons, so we are very grateful for his generosity to the community.

Some patrons have taken advantage of the WiFi hotspots when they have had disruptions in their Internet service, when they have been on vacation, or when they have travelled to an area where Internet service is spotty. Remember, there is no charge to borrow a hotspot (if you return it on time) for free WiFi access!

Contact Library Director Ms. Eng for further information at hwmlcontact@hotmail.com or 516-825-6422. Depending on availability, you can reserve to borrow a WiFi hotspot if you are planning a vacation or trip out of town where Internet access may not be available. (Unfortunately, they cannot be used outside the United States.)

PLEASE NOTE: The library's WiFi hotspots are very popular during the summer months, so please call to reserve a WiFi hotspot in advance.

HWCLI Healthcare Action Alert: New Program Alert: Free Air Conditioners for Essential Plan Members with Asthma

HWCLI is excited to share important information about a brand-new initiative from NY State of Health—the Essential Plan Cooling Program (EPCP)—created to help protect vulnerable New Yorkers from the rising threat of extreme heat.

The EPCP provides free air conditioning units and professional installation for Essential Plan (EP) members with persistent asthma. With limited funding available, it's crucial that this life-saving benefit reaches the communities who need it most.

Who Qualifies?

EP members who:
Experience frequent asthma symptoms such as wheezing, shortness of breath, or coughing attacks,
Or require daily asthma medication to manage symptoms.

What's Included?

One (1) unit per household every five (5) years, delivered directly to the enrollee's home and professionally installed
If installation is not feasible, a fan will be provided instead

Applications are first-come, first-served and will be accepted through August 31, 2025 or until funding is exhausted.

Please note:

Cash assistance is not available through this program.
For utility bill assistance, consumers should contact their utility provider or the HEAP program: otda.ny.gov/programs/heap

What Happens After Applying?

Consumers will receive an approval or denial email within 2–3 weeks.
If approved, they'll contact a vendor for:
A pre-installation assessment
An installation appointment
The cooling unit becomes the consumer's property and must be maintained by them.

Get Started:

Visit the EPCP webpage: [Essential Plan Cooling Program | NY State of Health](#)

Apply now: [EPCP Online Application](#)

Download and share the Fact Sheet with eligible consumers.

Please encourage applicants to:

Use their own email address when applying (not the Assistor's)
Go paperless for faster eligibility processing

The Town of Hempstead's S.T.O.P Program is a safe and environmentally friendly way to dispose of hazardous household materials.

Batteries must be disposed of safely in order to prevent fires and various other environmental hazards. With multiple scheduled events throughout the year, The Town of Hempstead's S.T.O.P Program offers a safe solution. Please visit the Town of Hempstead's website, or scan the QR code for upcoming S.T.O.P Program Events and to see a list of all accepted items.
