Morbidly Curious
by Coltan Scrivner

**Tuesday, January 27, 2026
7:30 pm**

Author Coltan Scrivner will be joining the meeting via Zoom.

What makes us peek at a car wreck or binge-watch true crime shows late into the night? Why are some of us drawn to horror movies while others shudder at the thought? In *Morbidly Curious*, scientist Coltan Scrivner takes readers on a thrilling journey into the psychology of morbid curiosity, uncovering why we can't resist the macabre. From grisly serial killers to spine-chilling paranormal stories, Scrivner reveals the psychological forces that compel us to explore our darkest fears—and explains how this proclivity is more than just a quirk. It's a powerful survival instinct, helping us mentally prepare for real-world threats, all from the safety of our imaginations

MIFI X PRO SG HOTSPOTS AVAILABLE FOR LOAN

The library is pleased to announce that Valley Stream library patrons can now borrow a MiFi X PRO 5G, an Inseego's 5G mobile hotspot, for a 14-day loan period! The MiFi X PRO 5G replaces the T-Mobile Franklin T-9 mobile hotspot that has served our patrons since 2020, so it was time for an upgrade!

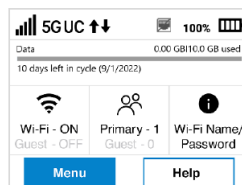

The MiFi hotspot is a device that you can use to connect a mobile-enabled device, such as a laptop smartphone or tablet, to the internet. It is portable, so you can connect your device almost wherever you are – at home, on bus or train, or in the park. **And when you are on vacation!**

Any device with Wi-Fi capability can connect to the MiFi. You can also connect via USB or Ethernet. The MiFi has two Wi-Fi networks, primary and guest, and lets you connect up to 32 Wi-Fi capable devices.

Borrowers must sign a Borrowing Agreement form and provide a valid adult Valley Stream library card in good standing. In addition, as with our family museum passes, all family members must be in good standing as the portable MiFi hotspot can accommodate up to multiple devices in your home at the same time.

The late fee is \$5.00 per day, and a \$100 replacement fee is billed after 10 days overdue, plus internet service will be turned off if a MiFi hotspot is not returned on the due date.

The MiFi hotspot may be renewed for another 14-day period if there is no waiting list for it.

The original T-Mobile Franklin T-9 mobile hotspots were purchased with a Special Legislative Grant awarded to the Henry Waldinger Memorial Library by New York State Senator Todd Kaminsky (S.D. 9). Without this grant, the library would not have been able to purchase multiple devices to loan to our patrons, so we are very grateful for his generosity to the community.

Patrons can take advantage of the MiFi hotspots when they have disruptions in their Internet service, when they are on vacation, or when they travel to an area where Internet service is spotty. Remember, there is no charge to borrow a MiFi hotspot (if you return it on time)!

Contact Library Director Ms. Eng for further information at hwmlcontact@hotmail.com or 516-825-6422. Depending on availability, you can reserve to borrow a MiFi hotspot if you are planning a vacation or trip out of town where Internet access may not be available. (Unfortunately, they cannot be used outside the United States.)

PLEASE NOTE: The library's MiFi hotspots are very popular around the holidays, so please call to reserve a MiFi hotspot in advance.

The New York Times Online

The Henry Waldinger Memorial Library is now offering access to NYTimes.com, including international, national, and regional news, podcasts, and newsletters (excludes Games and Cooking) – **free onsite library and home access!** Articles are available in English, Mandarin, and Spanish.

Onsite library access requires users to register for an account. Remote home access requires users to enter a Valley Stream library card barcode, to request a 24-hour remote access pass, and to register for an account.

Check out the [Nassau's Public Libraries Event Calendar!](https://events.nassaulibrary.org)

On this calendar, Nassau libraries list all programs **that are open to all** (not just one library's patrons). Programs can be in-person, virtual, or hybrid. **The only requirement for all programs is that anyone can register and/or attend it, even if it is not offered by your home library.**

This event calendar will help you find library programs you are able to attend, regardless of where you live. Programs are labelled as: Art & Crafts, Author Visit, Book Discussion, Computer & Tech, Defensive Driving, Exercise & Health, Food & Cooking, Gaming, Language Learning, Lecture/Workshop, Performance & Film, Special Event, or Tax Help.

DONATIONS TO THE LIBRARY

The library would appreciate it if all book donations were placed in the two **Better World Books** bins at the rear of the parking lot to the right of the building. If the bins are full, do not leave the donations outside the bins. **If they get wet, they cannot be used and they end up in the dumpsters!**

Please do not leave donations on the Children's Room Entrance landing. Books left there will be picked up by the Valley Stream Sanitation Department.

During the past two years (2024-2025), the library received commissions from Better World Books totaling **\$800**, so the books placed in the green bins do benefit the library. So, please continue to make your donations to the Better World Books bins!

Mattress & Box Spring Disposal

Bedbugs have become a serious health issue all across Long Island and New York State. Bed bugs are adept at finding their way into luggage, purses, backpacks, and other personal belongings. Bed bugs and mattresses are closely linked, as mattresses and their surrounding areas are prime hiding spots for these pests. Bed bugs are attracted to humans as a food source, and their flat bodies allow them to easily hide in the seams, crevices, and folds of mattresses and box springs. Neighboring municipalities have instituted new policies for the disposal of mattresses and box springs. Our Sanitation Department is following suit.

<p>Proper Disposal Guidelines</p> <ul style="list-style-type: none"> To schedule a pick up, call the Sanitation Department Office at (516) 825-8108. You will be given a date and time of when to put out your mattress and, or, box spring. <i>The mattress, and, or box spring must now be placed in a mattress disposal storage bag and sealed prior to being placed on the curb for pick up.</i> Heavy duty bags that new mattresses are delivered in can be used as long as they are sealed with tape. The Village will not provide mattress bags. Mattress disposal storage bags may be purchased at local hardware stores, home improvement centers and various online retailers. Failure to follow this procedure will result in your items not being collected. 	<p>Valley Stream Sanitation Department</p> <p>175 Arlington Avenue Valley Stream, NY 11580 (516) 825-8108 valleystream.ny.gov/sanitation</p> <p>Dumping Hours: 7am-2pm, Monday to Friday</p>
